

MaryHouse.com properties  
Complete details can be found on [www.maryhouse.com](http://www.maryhouse.com)

All of our properties are in great locations, on or near the ocean front. Many are available for rent throughout the year. All properties have central air and heat, off-street parking, porches/decks with comfortable furnishings, gas grills, and many other features. All properties are professionally cleaned between each tenant and very well maintained. We offer lots of extra services with our properties at low cost (e.g daily maid service, in-house catering, spa services, etc.) The [www.maryhouse.com](http://www.maryhouse.com) website has lots of pictures, details, rates and availability information for each property. **Please call Mary McKenney for a tour or more information.
