Or use your SmartPhone to scan the code at right for more information

All of our properties are on or near the ocean front and are available for rental throughout the year, minimum 1 week in summer, 2 nights at other times. All properties have multi-zone central air and heat, plenty of off-street parking, porches/decks, gas grills, full digital cable, wireless high-speed internet, beach equipment and many other features. All properties are professionally cleaned between each tenant and very well maintained. We offer lots of extra services with our properties at low cost. The www.maryhouse.com website has lots of pictures, details, rates and availability information for each property and its surrounding area.

Please call Mary McKenney for a tour or more information. Cell phone: 610.505.7362.

In Cape May:
